

The Sports Tech Research & Innovation Summit '24

The STRN Summit is a **2-day event** in **Ghent** (**Belgium**), bringing together an exclusive group of <u>open-minded academics</u>, <u>science-driven startup & industry professionals</u>, and experienced field practitioners.

The event will focus on **sensor** and **digital technologies** such as <u>wearables</u>, <u>apps</u>, <u>AI</u>, <u>platforms</u>, etc. with an emphasis on **health** and **performance** related purposes.

For whom?

For **R&D** professionals in industry, researchers who want to create a real-life impact, and people working in sports as physical trainers, medical doctors, physical therapists, health and performance managers, etc.

Location:

Wintercircus Ghent, Belgium

8 PM **VIP dinner:** *Enjoy dinner, connect and have fun*

- *Co-creation session: During this session, 4-5 people will share a particular idea, action or challenge they think is important moving forward, which will then be discussed and enriched with the people in the room, resulting in a set of topics for potential future projects.
- * Roundtable discussion: Participants in a roundtable discussion will be able to have pre-planned, closed-doors meetings, discussing new project ideas, innovation partnerships or alike. These will take place during the co-creation sessions. More info on how to join these discussions will follow soon.
- *Open podium: within this timeslot, we open up the podium to people who'd like to **share a provoking thought, ambitious idea or a random question** about sports or health innovation to the other attendees. No self-promotion nor product sales pitches allowed.
